

A Prayer on Sunday, May 13, 2018

God who hears your people's cry, we cry out on behalf of our Christian sisters and brothers in Surabaya, Indonesia.

We pray for all those who counted loved ones among the 11 people killed, we remember the 41 injured and their families, and we pray for the whole community of Surabaya. Bring comfort and healing, hope and strength, we pray.

We pray for the three churches that were attacked, remembering before you the members of these congregations, and praying that by the Holy Spirit courage and resilience will grow as these communities of faith continue to bear witness to your Son and our Saviour, Jesus Christ.

May your glory shine in the lives of the Christian community of Surabaya, that people will be drawn to the way of your Son, Jesus, whom to know is life and peace.

We pray these things in the name of Jesus, who is the resurrection and the life. Amen.
